

# THE BASSANO RECORD

VOLUME SIX NUMBER 47

BASSANO, ALBERTA, Thursday April 6th, 1944

License number 727154

## A LAST LOOK

### AT THE 4th RATION BOOK

The Local Ration Book distributed the No. 4 book to 719 people, 510 adults and 179 children under the age of 15 years in the town, and 30 books to points outside the town. The Board takes this opportunity to thank Mrs. F. MacBeth, Mrs. A. Yule, Mrs. R. Bingham, Mrs. F. Bohne, Mrs. J. Davis and Miss V. Bacon for their willing help in handling the distribution of the Ration Books in such a satisfactory manner.

## Attention BLOOD DONORS

The Calgary Mobile Blood Donor Clinic will be in Bassano on Wednesday, April 12th, starting at 9 o'clock A.M. will receive Donors as per schedule. Every Donor will be advised of the time they are to be at the Red Cross Headquarters to make their donation.

Fatty Cards will be distributed to Donors two or three days advance of donation. The careful reading of these cards by Donors is very essential, if any fats are eaten after eight o'clock on the evening preceding donations, the entire effort is wasted, and blood is thrown away.

It is pointed out that women should be examined by their private physician, as they are accepted only if they have suitable vein for venipuncture. They require more extensive examination by their own doctor, particularly as to their blood pressure. The physician's report should be handed over to the secretary of the Blood Donor Clinic by women donors when enrolling, or bring the report of her examination of the clinic on day of donation. Women rejected by doctor please phone 55, or write to the local Red Cross Secretary.

Mrs. E. Bray has been a patient in the Bassano Hospital.

Mr. & Mrs. I. Soley of Humeau visited with friends in the neighborhood last Sunday.

Mrs. Nichols, poultry inspector for the gov't stopped in the neighborhood last week giving the bander flocks the once over.

Mr. and Mrs. Alvin Muller are being congratulated on the birth of a son at the General Hospital.

Mrs. V.G. Campbell visited Mrs. I. Heffebower on Tuesday.

Mr. & Mrs. Ed Schafar and the family, Mr. and Mrs. E. Herford and family and Mr. & Mrs. V.G. Campbell were guests at a lovely dinner at the home of Mr. and Mrs. F. Nail on Sunday.

## MAKEPEACE

(By Our Correspondent)

Mr. Carl Sykes visited at the home of Mr. and Mrs. Harold Beatty on Sunday.

Mrs. I. Heffebower was a business visitor to Clithero last Sat.

Mrs. Herman Jorgensen was a visitor at the home of Mrs. I. Heffebower on Monday.

Mrs. V.G. was a business visitor to Cluny on Tuesday.

Mr. and Mrs. Ole Doosen spent Sunday evening at the home of Mr. and Mrs. Eric Berg.

## Announcements

On Sunday, April 16th, at the Church of England, Bassano, the Ven. Archdeacon D. F. Kemp of Christchurch, Calgary will be present to conduct a morning service at eleven o'clock in the morning. Rev. Evans will be at Christchurch on that day. You may have heard Rev. Kemp over the radio, come and meet him at church. And everybody is invited to attend. Plenty of room.

The Anglican Church Guild is putting on a Tea and Sale of Sewing and Home-cooking on April 15th. This will be held at the Red Cross rooms from 3 p.m. to 6 p.m.

## WPTB OFFICES WILL GIVE RATION BOOKS TO LATECOMERS

Edmonton: People who did not obtain new ration books during Ration Book Week will be required to apply to a ration office of the Wartime Prices and Trade Board, on or after April 17 to obtain the No. 4 book, says G.G. McKen, regional superintendent of rationing.

Ration offices of the Prices Board are located in Edmonton, Calgary, Lethbridge and Grande Prairie.

During Ration Book Week 98 per cent of the residents of Alberta obtained their new books, the superintendent stated.

Cannot blueberries may be bought without ration coupons until July 1st. During the suspension of meat ra-

## Born at the Hospital

To Mr. & Mrs. Harvey Goltken, Queenstown a daughter on March 13th, 1944.

To Mr. & Mrs. Lloyd Heaton, Dorothy a daughter on Mar. 16, 1944.

To Mr. & Mrs. Gotthold Scheelke, Cluny a daughter on Mar. 17th, 1944.

To Mr. & Mrs. Gordon Selt, of Bassano a son on March 17th, 1944.

To Mr. & Mrs. George D. Grant, Gleichen, a daughter Mar. 20th, 1944.

To Mr. & Mrs. H. Janzen, Rose, a daughter on March 30th, 1944.

To Mr. & Mrs. R. H. Agate, Cluny a son on March 31st, 1944.

## SINCE THE CALL TO ARMS

WITHIN AN HOUR of the opening of hostilities the Canadian National began what has proved to be the largest and one of the most exacting war jobs in Canada. This job has continued day and night without stop for four and a half years.

FROM SEPTEMBER 10, 1939 to March 19, 1944 the Canadian National carried more than 100 million passengers and 300 million tons of freight. Since the beginning of the war the Canadian National Dining Car Department has served 13,331,387 meals.

THE RAILWAY not only hauled away the completed munitions of war, but brought in the raw materials to make them. Without this two-way service, Canada's magnificent job of production could not have been carried out. The Canadian National still builds mine-sweepers, 12,000-ton freighters, naval guns and gun mountings, aircraft components, and parts for other gun factories.

OF THE 300 MILLION PASSENGERS carried, a high percentage consisted of members of the armed forces proceeding to camps for training and to shipboard for embarkation.

STEAMSHIPS OF THE COMPANY, though reduced in numbers by sinkings through enemy action, have served gallantly in the war as auxiliary armed cruisers, hospital ships and transports.

CANADIAN NATIONAL Express and Telegraph facilities have worked to capacity to meet war demands.

The Canadian National's nine all-year hotels, situated in cities from the Atlantic to the Pacific, have provided service of an essential nature to those engaged in the war effort. All the Company's resort hotels are closed for the duration.

22% OF THE PERSONNEL in Company's service in 1939 have joined the armed forces. In Victory Loan campaign Canadian National men and women have purchased bonds to the amount of \$26,924,406.

TRANS-CANADA AIR LINES, subsidiary of the Canadian National Railways, has carried 435,000 passengers during the war, 9,417,000 pounds of air mail letters, and 1,050,000 pounds of wartime air express. Trans-Canada Air Lines is also flying the Atlantic regularly with mail to and from the armed forces.

## TRANSPORT for a NATION AT WAR

The Canadian National has been privileged to join with all the citizens of our country, including those who are serving in the armed forces, in the prosecution of the war. It believes that Canadians will be interested in this outline of some of the System's war activities.

### Extracts from Annual Report of the Directors of the Canadian National System

OUR OBJECTIVE IN 1943, as in other war years, was to place the full strength of our manpower and facilities behind the war effort of the United Nations. To this end all energies have been directed. The requirements of the armed forces, of industry and agriculture, for transport and other services, have been met in all of the nine Provinces of the Dominion and in the important sections of the United States in which we operate.

### RECORD TRAFFIC

These demands were greater than ever before, the traffic moved in 1943 being 17.3% greater than in 1942, the previous peak war year, and 44.7% greater than in 1928, the peak peace year.

Freight traffic in 1943 was more than double that of 1939, and passenger traffic four times that of 1939.

Despite this, the very large movements of war materials and personnel reached their destinations in accordance with schedule arrangements. There was no lowering of the recognized standards of safety.

### MANUFACTURE OF MUNITIONS

The Company also extended its activities as a manufacturer of munitions, ships and naval appliances.

### EARNING POWER

The 1943 operations demonstrated the great earning power of the System, the railway proving again that it can handle an immense volume of business economically as well as expeditiously.

After providing from revenue for all operating expenses (including deferred maintenance, depreciation, amortization of defence projects and reserve for inventories) and also a reserve for pension contracts, taxes, interest

on funded debt and Government loans, the surplus paid in cash to the Government was \$35,639,412.

### OPERATING EFFICIENCY

The operating ratio for the year was 73.64% (an all-time record) as compared with 76.79% in 1942 and 81.99% in the peak peace year of 1928.

It is interesting to note that the vastly increased war traffic in 1943 was handled with 16.4% fewer locomotives, 15.4% fewer freight cars and 5.1% more passenger cars than was the traffic of 1917, the fourth year of the last World War.

### SPECIAL SERVICES PROVIDED

The Company was honoured in being selected to provide extensive train and other services for Prime Minister Churchill, President Roosevelt and Madame Chiang Kai-shek during their visits to Canada in 1943.

### POST-WAR

Changing conditions will call for new methods of railway operation and new types of service, and there must needs be a continuing search for improvement in all aspects of the railway industry. In view of this, the Company has in hand a programme of research. This programme, in addition to considering ways and means of improving service and efficiency of operation, also encompasses the problems of post-war reconstruction and rehabilitation.

THE OFFICERS AND EMPLOYEES in all departments of the System have worked hard and loyally to cope with increased responsibilities arising out of the war, and the directors record their appreciation and thanks. The traditional harmonious relations between management and employees were maintained throughout the year. Appreciation also is expressed to shippers and the travelling public alike for their cooperation in and sympathetic understanding of difficult operating conditions caused by the war.

#### Control Spring Fires To Have More Birds

As winter retreats before the im-  
pact of spring, ducks and other birds  
are moving northward to their sum-  
mer home. Ducks are already mat-  
ing. Arriving in our Canadian West, they  
will establish nests; and promptly  
get to work, producing another crop.

This year, as always 70 per cent of  
the potential hatch will be destroyed  
before the new crop is safely on the  
wing, next fall. A big percentage  
will be destroyed by fire.

Spring fires blast myriads of  
birds' nests and countless early  
broods. This vast destruction can be  
almost completely avoided by burn-  
ing stubble fields and haylands be-  
fore April 20.

Ducks start to nest, from about  
April 20. Prairie Chickens and Par-  
tridges nest along in May; so do the  
many of the insect-eating, ground-

### The HEIR APPARENT

MEET THE HEIR APPARENT to  
the thrilling new world of to-morrow... the  
world he will help to build.

Already he's learning to stand on his own feet, a  
young man with ideas; self-reliant, courageous,  
ready to carve out a future by his own personal  
efforts.

Many of these young men of to-morrow—  
future leaders—already have accounts of their  
own at the Royal Bank. They have spare-time  
jobs, work hard and save some of their money  
for the day when opportunity will beckon. They  
are the spirit that has made this country great.  
It is the spirit that will build a Canada worthy  
of her future.

What is PRIVATE ENTERPRISE?  
It is the natural desire to make your own way, as far as your  
ability will take you; an instinct that has brought to this continent  
the highest standard of life enjoyed by any people on earth. It is  
the spirit of democracy on the march...

nesting birds.  
These birds consume thousands of  
lbs. of grasshoppers and other insect  
pests. Birds are traditional friends  
of all farm communities. On farms  
and neighborhoods, where stubble  
and hay lands are burned before  
April 20, birds increase with aston-  
ishing rapidity. Lands that are to be  
summer-fallowed should be burned  
before April 20. This discourages  
birds from nesting on fields which  
are to be ploughed at the time eggs  
or young are in the nests.

This controlled burning has pro-  
ved its value. It is a basic practice  
in wildlife management - to put mil-  
lions more birds on the wing and to  
check insect pests. Thousands of the  
farmers cooperate in this wildlife  
restoration work across the Canadian  
west. Their experience is that, when  
everyone burns stubble and hay-  
lands early in the spring, birds again  
become abundant. Incidentally hay  
crops are improved, too.

Wildlife is a crop which thrives  
under wise management. Birds are  
valued cooperators with farmers in  
the fight to control grasshoppers  
and like pests. Burning stubble and  
haylands before April 20 means a  
few more birds—and a fewer pest!

### To All Visitors Of National Parks

An urgent Appeal from the Min-  
ister of Resources.

Among the great attractions af-  
forded by Canada's national parks is  
the opportunity to see wild animals  
in their natural surroundings, but  
cured of the fear of man. All nation-  
al parks are wild life sanctuaries.  
These animals soon learn that man  
will not harm them, and they be-  
come tame. This proves to be their  
undoing.

The public loves to feed these  
beasts, and otherwise to fraternize  
with them. Notices in the parks

and in the parks literature ask-  
ing them not to do so have little  
effect. Perhaps if they understood  
that being 'kind' to a bear is the  
most unkind thing they can do to  
him, the park regulations would  
be better observed.

Instances abound where bears  
have been petted until they be-  
came so bold and troublesome  
that they had to be destroyed. In  
Watkins Lake National Park a  
mother bear and her two cubs,  
which had been pampered by  
tourists, tore the screen door off

a cottage while the family were  
out and helped themselves to the  
fruity-baked pies. They also  
knocked over and damaged the  
icebox, food glassware and china  
were destroyed. It became neces-  
sary to shoot the mother bear. It  
is feared that the same treatment  
may yet have to be given to the  
cubs.

In another instance two little  
cubs were apparently trying to  
climb a tree, and two little girls  
tried to give them a helping hand.

In Prince Albert National Park  
in Saskatchewan a man was about to  
enter his cabin when he saw the end  
of a bear protruding from the cor-  
ner of the building. Realizing that  
the bear was eating out of the  
garbage can, he thought it would

# First Objective

IN these decisive months all Canada's effort  
is concentrated on one great objective—  
the attack that is to destroy the Nazi menace  
and all that it represents. Years of work have  
gone into its preparation. The best of our young  
men are staking their lives on its success.

We in Canada must support and strengthen  
this attack with all our effort. This one pur-  
pose must command our work, our minds and  
our hearts.

We must not permit any scramble for private  
gain or individual selfish ends, to distract us  
from our main task. If we concentrate on  
seeking, individually or jointly, higher prices,

higher pay or higher profits, we shall be div-  
erting our attention from the main task at this  
critical time. We shall also endanger the sta-  
bility of prices which we in Canada have  
achieved after great difficulties—a stability that  
is essential to efficiency and fairness in war,  
and to peacetime prosperity afterward.

Our young men are fighting for a Canada and  
a world in which all men can have faith, hope  
and security. Each of them wants to come  
back to a job—or a farm—with a future. We  
at home must keep secure for them a strong  
and stable foundation on which alone a post-  
war period of promise and achievement can  
be built.

## Bassano News

Jim Rennie is home from Calgary. He has received his discharge from the Army.

Mrs. Harvey Smith returned recently from a visit in Weyburn, Sask.

Mr. and Mrs. J.T. Davis were Calgary visitors last week.

Sgt. Fred Bohne was home the last weekend.

ACZ Eddie Cadore returned to Winnipeg on Tuesday after spending 14 days with his parents.

Bob Wright of the RCNR spent a few hours in town last week.

## GEM NEWS

(By Our Correspondent)

Mr. Clarence Schieber is home for 3 months on farm leave.

The ladies club held their annual monthly meeting and card game. There was a large crowd and prizes were won by Mrs. Leggett, Mr. Thomas Bulby, Mrs. Heyford, Mr. Marquies.

Mr. and Mrs. Patnick and family were dinner guests at the home of Cr. and Mrs. H. Ferguson Sunday.

Mr. R. S. Edwards has returned home after spending some time in the United States.

Miss Grace Edwards is home to spend the week end with the folks.

Mr. Niel Wallace was a Calgary visitor last week.

People with Miss O'Leary good luck at her new school in Brooks.

Miss Barbara Miller is going to take Miss O'Leary's place.

There will be a bazaar held on April 14th. There will be bingo, games, refreshments and a bowling alley and many other attractions.

Articles sold are made by the Gem school children. Things will start rolling at 8 p.m.

## MAKEPEACE

A number of people attended the sale at Joe King's on Monday. It was a fine day for a sale. Hank Wagar was the proud purchaser of the tractor.

The last Red Cross Meeting was held at the home of Mrs. George Nelson on March 29th. The following articles were turned in: 3 pair men's pyjamas, 4 pair service socks, 6 pair children's pants, 3 children's sweaters, 5 pair children's pyjamas, 4 nightgowns, 1 bib, 1 quilt, 2 of children's sweaters and, cap set, 1 baby outfit. Total money \$150.

Mrs. J. Clark Senior donated a 111 yds. of goods to be used for these quilts.

The Red Cross Drive netted to \$244.75 for the Makepeace district.

The next Red Cross Meeting will be held at the home of Mrs. Brayon April 12th.

Miss Irene Heyford spent the week-end in Calgary visiting Miss. Rena Mullen.

## GOOD NEWS FOR MOTORISTS

In a recent announcement from the Aero Engineering Co. Transways Building, Montreal, there seem to be a gleam of hope for the Canadian motorists who can't seem to make their gas ration come out even with their actual driving needs. The company is marketing a gasoline additive under the trade name 'Viaplus'. According to its literature, these tablets, which are dropped in the gas tank in the ratio of one to a gallon, perform the functions dissolving sludge deposits (freeing pistons while adding to the combustion quality of standard octane gasoline. On test, mileage has jumped as high as 39 per cent and ordinary running in demonstrating increases of 30 to 25 per cent. This material has been in wide use in the United States for some time, now, where it has according to its reports, definitely proven its claims. In Canada it has been tested by McGill University and has been licensed for sale by the Motor Vehicle Department.

The Company's faith in 'Viaplus' is demonstrated by the fact that users are protected against any possible damage by a half million dollar policy issued by the Hartford Accident & Indemnity Co.

HAPPY EASSTO TO ALL. MAJOR HOUBOURT. OIC 222 (R) Field Battery, R.C.A.

## An AMAZING Record

The Minister of Munitions and Supply, Mr. Howe, told House of Commons that since the beginning of the war, contracts awarded by the department named \$9,500 million and that 800,000 workers are engaged in actual production of war equipment, with another 200,000 in subsidiary work. A breakdown of some of this makes astonishing reading. Canada produced for instance 432 aircraft last year as well as 15,500 armored vehicles. We made 45,000 artillery gun barrels, carriages and mountings, in 1943 and will exceed the 1943 total of 500,000 machine guns, rifles, etc. We produced 30 million rounds of gun ammunition and 15 billion rounds of small arm stuff. In addition our workers built 150 cargo vessels and 100 naval vessels and delivered 3,000 small craft out of 4,300 orders placed. This is only part of the picture because there was a tremendous amount of defence construction and other projects, too.

April 20th: Butter-No. 54,55,56,57

The Columbia Potato Growers Association on Lulu Island in B.C. assisted by officials of the Department of Agriculture, have been holding potato crop competitions for the past years. The 1943 event brought the climax with Little

Gilmore of Stevenson, B.C. getting what is considered the highest yield per acre ever obtained in Canada. A yield of a little over 900 bu. per

acre out of which 863 bu. were of marketable grades. They were so called 'Netted Gem', for which variety the yield was a world record.

## RENEWAL OF UNEMPLOYMENT INSURANCE BOOKS

## To All Employers:

All Unemployment Insurance Books for the year ending March 31st, 1944, must be exchanged for new books.

Kindly communicate immediately with the nearest Employment and Selective Service Office if you have not already exchanged your employees' books.

There are severe penalties for failing to make Unemployment Insurance Contributions for your insured employees and for failure to renew the Insurance Books as required.

## To All Employees:

If you are an insured person protect your benefit rights by seeing that your Insurance Book has been exchanged.
